

LIDLAW SCHOOL

BBQ

June 11th, 2014

Planning for the 2014 Annual BBQ is underway!

We are hoping that our families will consider sponsoring this year's BBQ and help our school achieve a COOL learning environment for all our students. Last year, with the help of our BBQ and Grooveathon sponsors, we were able to install 3 new air conditioning units. This has had an amazing impact on these 3 classrooms. We are well on our way to being able to do another installation this summer.

Your support is needed to make this happen.

We understand that it is not possible for everyone to donate their time to the BBQ but you can make a real contribution by becoming a Sponsor, either by your family or through your business. In either case, we would be pleased to provide you with a charitable tax receipt!

Please send your donation payable to PTESF

By June 2nd, 2014.

Your support makes a difference!

Levels of Sponsorship:

\$100, \$250 & \$500
