

September is here and so is the list of things to do! Laidlaw PAC asks that you take a quick moment to register your family to our website. By registering you will be kept up to date with upcoming school events and of course the popular fun lunches! This also means less paper coming home to you.

Every year we ask that families, both new and old to this system re-register. PAC is already working on making this school year extra fun... don't miss out!

Register simply by going to...
<http://laidlaw.hotlunches.net>

To register your family

- *Select REGISTER*

Each family will have one account and each student at the school will be linked to this account. Once you have created your account you will be able to login and edit your contact information and add additional email addresses to your account.

- *To register, LLHL as the School Access Code.*
- *Enter your account information and select REGISTER NOW*
- *Add your students by selecting STUDENTS*
- *Select ADD A STUDENT*

If you are unable to access this information online, please advise the office and we'll be sure to continue to send you future communication in paper form.

Thank you for your support in this effort.
