

**United Way**  
For a Better Winnipeg

Koats for Kids is part of United Way's commitment to helping children and youth be all they can be, and has been a Winnipeg institution since

1989. Every year, from September to February, Koats for Kids distributes winter outerwear to families. For some children, having a warm coat means attending school on a cold day instead of staying home.

United Way brings together the partners and volunteers required to coordinate, promote and staff the program for approximately six months. The clothing is ordered, processed and distributed in conjunction with the recipients' school, daycare or social service agency.

THANK YOU TO OUR PARTNERS
